Thanks so much for providing details.

I see that we currently have Jake Douglas and Nicolas Baum listed as the Primary Business Contacts/those who are authorized to request this change. I have included both on this email as well.

Jake/Nicolas, if you all would like to proceed with this change, please respond directly in this email thread with the following:

- MIDs you are requesting this change to be applicable to
- · Amount you would like to request for the increase on each MID
- Indicate whether the requested increase is permanent or temporary for each MID
- · Copies of invoices or purchase orders to substantiate the requested amounts

Please let me know if you have any questions.

Kind regards.

I'm Ben Kubic, GiftRocket's new VP of Business Operations. We have a number of corporate clients who are asking if we can raise our transaction limit above the current \$25k threshold - what is the process for getting that limit raised to \$60k?

Thanks,

Ben
